*To our fellow wine enthusiasts: Our WHITE WINES are numbered from light to medium-bodied, while the RED WINES are arranged from medium to more full-bodied wines. Seven Seas has been the recipient of the BEST AWARD OF EXCELLENCE since 2006 for our wine list from the renowned Wine Spectator Magazine. We are delighted to offer you a unique diversity of domestic and imported WINES BY THE GLASS to enjoy with your dinner selection. For your convenience, we are recommending two wines from this list that will match well with the food entrees of our Restaurant's Menu. (Note the bin numbers in Brackets following the food descriptions.) You are of course invited to review the full extent of our wine list for any personal preferences you may have. Enjoy!*
